Orange County Cancer Support Groups – October 2017

Search for Cancer Support Groups Online at the Orange County Cancer Coalition (OC3) Website: www.myoc3.org

The mission of OC3 is to improve comprehensive patient-centered cancer prevention and care for all Orange County. Designed for patients, survivors, family members and caregivers, this website will help you find the resources and services you need to access quality, comprehensive cancer care in Orange County. These resources span the cancer lifecycle – from prevention to early diagnosis, treatment, recovery and survivorship. If you have any changes to the listings, please email rfolsom@ochca.com.

This monthly List of Support Groups can be downloaded from [here](#).

Orange County

- **Leukemia & Lymphoma Society SoCal Cancer Connection** – For cancer survivors ages 18-40 who have been diagnosed with any type of cancer at any point in their lives (including long term pediatric cancer survivors). We meet monthly in various areas in OC for socially-inclined activities so participants can share experiences and resources in a relaxed setting which is comfortable for this age group. For more info and to be added to the email mailing list to be notified of events, email Anjali.Shah@lls.org or visit www.facebook.com/LLSoCalCancerConnection.
