6. If an Officer vacancy occurs, a special election shall be held to fill a vacancy until the next regularly scheduled election. The elected Officer shall complete the term of the person he or she is replacing. This partial term does not count toward the three (3) consecutive term limit.

D. VOTING:

1. A quorum of the committee must be present at any meeting in order for a formal action to be taken on any matter. A quorum shall consist of a majority of all committee members not on a leave of absence.
2. The committee will utilize consensus voting for approval of the meeting agenda and minutes only. The committee will use a yay/nay voting system for all other action items. The yay votes must be unanimous for the vote to carry. For non-unanimous yay votes, a roll call vote will be taken. A majority vote in favor of the motion will be required for the motion to carry.
3. Only committee members may vote.
4. There may be more than one committee member from the same agency. However, each agency with representation on the committee will have only one (1) vote. An agency with more than one member will be responsible for designating one voting member.
 - 4.1 Any member that is either paid staff or serves on the Board of Directors of an agency will be considered a representative of that agency. Any member serving either as staff or on the Board of two or more agencies will have no more than one vote. That member must choose which agency he/she wishes to represent.
 - 4.2 Due to the diverse focus of departments within the Orange County Health Care Agency the following departments will be viewed as separate agencies for voting purposes: 1) Orange County Health Care Agency Behavioral Health; and 2) Orange County Health Care Agency Public Health.
5. New members must attend two (2) previous meetings before voting.
