October 1, 2018

Dear MSN Member:

Your coverage under the MSN program will end on December 31, 2018. Under the Affordable Care Act (ObamaCare), MSN members may be eligible for comprehensive health coverage through Covered California, California's health insurance marketplace, beginning January 1, 2019.

Covered California can help you select a comprehensive health plan that fits both your medical needs and your budget. For Orange County residents, there are several plans to choose from and all plans provide more comprehensive benefits than the MSN Program. **You may qualify for financial assistance to help with the monthly cost of your insurance premiums.**

Covered California Open Enrollment begins October 15, 2018 and ends January 15, 2019. It is important that you sign up for a Covered California plan as soon as possible to ensure that you have uninterrupted health coverage starting January 1, 2019. **You can contact Covered California at (800) 300-1506 between 8:00am and 6:00pm Monday through Friday.** You can also complete an application online at www.coveredca.com.

The Coalition of Orange County Community Health Centers provides "patient navigators" who can offer one-on-one assistance to anyone needing help choosing an insurance plan. If you want assistance in choosing a plan through Covered California, please contact the Coalition of Orange County Community Health Centers at **(714) 352-5998**.

Additionally, Covered California has certified enrollment counselors that can provide assistance to you free of charge. You can find Enrollment Help on their website at www.coveredca.com/find-help/ or you can call **Covered California at (800) 300-1506** for more information on enrollment counselors available near you.

If you have questions about this notice, you can contact the MSN Program at 714-834-6248 for additional information.
