EDUCATION DATA

Overview

The table below shows demographics for all school districts in Orange County. The data are broken down by Fall 2008 enrollment totals, percent of English Learners (EL) (see page 94), percent of students participating in the Free and Reduced Lunch (FRL) Program (see page 93), Average Academic Performance Index Score (see page 92), and Spring 2009 California Content Standards Test mean scale score.

For Fall 2008, EL students accounted for 27.9% of the K-12 students in Orange County. There were 211,521 (43.1%) students participating in the FRL program.
