**Orange County Crisis Prevention Hotline**

Dear community members,

On July 27, 2010, the Orange County Board of Supervisors unanimously approved Didi Hirsch Mental Health Services as the operator of Orange County Crisis Prevention Hotline. The Crisis Prevention Hotline is a 24-hour, toll-free suicide prevention service available to any Orange County resident, who is or knows of someone experiencing a crisis or suicidal thoughts and would like to receive immediate, confidential, and culturally and linguistically appropriate over-the-phone assistance either for themselves or someone they know.

Callers will receive crisis service from well-trained Didi Hirsch counselors by dialing **1-877-7CRISIS** or **1-877-727-4747** directly.

In addition to over-the-phone assistance, Didi Hirsch Mental Health Services offers a variety of customized crisis prevention educational training to your organizations and the community at absolutely no charge to you. To take advantage of these valuable resources immediately, please contact Rick Mogil, Program Coordinator at (310) 895-2326 or [RMOGIL@DIDIHIRSCH.ORG](mailto:RMOGIL@DIDIHIRSCH.ORG).

Sincerely,

Jenny Qian, Division Manager
