

Orange County Immersion Training

OBJECTIVES

Would you like to learn about ...

The Recovery Model?

The current Orange County treatment system?

The specific needs of mental health consumers?

How to better serve people with co-occurring disorders?

How to apply your knowledge and skills to your current employment,
educational and social environment?

If you answered "yes," then Immersion Training is for you!

Goal of Immersion Training

The goal of Immersion Training is to provide the community, social services providers, law enforcement, school districts, teachers, students and other interested persons with information on mental health issues, chronic mental illness issues and the recovery model.
