Orange County Full Service Partnerships

Anthony J. Delgado & Jenny Hudson
Health Care Agency

Adult and Older Adult FSPs

Full Service Partnership Criteria

- The MHSA Full Service Partnership (FSP) program serves adults and older adults. The target populations for the FSP programs are the homeless or at risk of homeless adults who have a mental illness and may also have co-occurring disorders, those being released from long-term care, those being released from jail, and those who are at risk of long jail sentences for minor crimes related to their illness. There are several separate programs within the FSP category, which serve particular target populations.

Full Service Partnerships (FSP)

- Telecare (TAO) 2 locations
- Opportunity Knocks (OK)
- Striving Towards Enhanced Partnerships (STEPS)
- Telecare Whatever It Takes (WIT)
- Older Adult Support and Intervention Systems (OASIS)

Full Service Partnership Services Provided

- Recovery-focused, strength-based services
- Small case loads (15/20 to 1 ratio)
- Intensive case management/wrap-around-services
- Co-occurring disorder treatment
- 24/7 on-call staff response if needed
- Field-based services
- Peer-run activities
- Educational/Vocational assistance
