

# QUICK CHECK NOW AVAILABLE

## What is Quick Check?:

Quick Check is a sexual health screening appointment with shorter wait times.

## Services Offered:

- HIV testing
- Chlamydia, Syphilis and Gonorrhea *screening ONLY.*

If your test results are positive, you will be called to come back for treatment

## You may qualify for Quick Check if you meet the below criteria:

- You do NOT have symptoms
- You HAVE NOT been exposed to a sexually transmitted infection
- You ARE an existing 17<sup>th</sup> St. TTC client

Quick Check is a Walk-in ONLY service. The Quick Check clinic is open on Thursday afternoons. Walk-in Quick Check appointments are subject to availability and cannot be guaranteed. You will not see a clinician during your visit.
