

CAIR2 Updates: Orange County Immunization Coalition Meeting

Date: 05/12/2021

Karina Cuellar
Local CAIR Representative
CA State Department of Public Health
Division Of Communicable Diseases
Immunization Branch

Agenda

- . Quality Assurance User Role
- . Regular User Role
- . Medical Exemptions
- . Resources

New User Role: Quality Assurance

QA User Role Abilities

- Look-up patient records
 - Run Reports
 - Ex. Doses Administered Report, Reminder/Recall Report. etc.
 - Monitor Data Exchange activity
- Quality Assurance Role now available for **ALL** Orgs
 - Previously named “Data Exchange Quality Assurance”
 - Training is **NOT** required for this role

Regular User Role

- Sites should only request this user role if they are using **Manual Entry** to document vaccine doses in CAIR2.
- Sites using **Data Exchange, Mass Vax, Prepmod, or My Turn** to document doses in CAIR should **not** request Regular User role access.
 - If you would like to have a CAIR account, you can request **QA role** access or **Read-Only** access (**NO** training required).

Medical Exemptions (MEs)

Starting January 1, 2021:

- Medical exemptions can only be issued through the California Immunization Registry – Medical Exemption website (CAIR-ME) by physicians licensed in California.
- Schools and childcare facilities may only accept from parents new medical exemptions that are issued using CAIR-ME.

Medical Exemptions (ME)

- Through **CAIR-ME**, providers can issue and manage standardized medical exemptions for children in school or childcare.
- MEs are **not** entered or tracked in CAIR2.
- Sites do **not** need CAIR2 accounts to enter MEs.

Please visit the CAIR-ME website for more information:
