CALIFORNIA ACCIDENTAL RELEASE PREVENTION PROGRAM

Public Notice

Date of Notice: August 10, 2021

The County of Orange Environmental Health Division is the Administering Agency for the California Accidental Release Prevention (CalARP) Program for all of the Orange County Cities except for Anaheim and La Habra. CalARP regulations requires companies with certain regulated chemicals above a reporting threshold to submit a Risk Management Plan (RMP) to the County for review.

Upon determination that the RMP is complete by CUPA staff, notice will be provided to the public that the RMP is now available for 45 day public comment period.

The following facility has submitted an RMP that has been reviewed and deemed complete. The RMP will be available for public review/comment for the next 45 days. If you would like to review a RMP, please contact Marco Escobedo at (714) 586-6185.
