

FACILITIES ADVISORY COMMITTEE ORANGE COUNTY EMS FACILITY DESIGNATIONS March 8, 2022

The following hospitals have applied to Orange County Emergency Medical Services (OCEMS) for Emergency Receiving Center (ERC) and/or Specialty status (Cardiovascular Receiving Center/CVRC, Stroke Neurology Receiving Center/SNRC, and Comprehensive Children’s Emergency Receiving Center/CCERC) designation or re-designation. This report summarizes the OCEMS review of their applications noting deficiencies, conditions and recommendations. Today, it is presented to the Facilities Advisory Committee for committee endorsement. Physical site visits have been temporarily suspended but focused surveys were completed including key personnel interviews and applicable documents reviewed.

General Findings: The following facilities currently meet the designation requirements for Emergency Receiving Center and Specialty Center designation when applicable. Endorsement considerations of designation are for one to three-year terms or otherwise specified as recommended by committee.
