30th Annual Continuing Challenge HazMat Workshop:			
Description	Location	Date	
 <p>2019 Theme: The Continuing Challenge at 30 – The Places We've Been; The Places We'll</p> <p>Purpose: The annual Continuing Challenge Hazardous Materials Emergency Response Workshop began in 1990 for the purpose of providing training, networking, and hands-on learning opportunities for all employees in hazardous materials emergency response-related fields of employment. Prominent and skilled presenters who volunteer to provide our students with the most recent information available to enhance or grow skills critical to ensure a safe and effective response. Featured are exciting classroom courses, hands-on sessions, and contests to test new skills.</p> <p>What We Do: The workshop is designed to provide the student with the latest information while maintaining the basics for individuals that are new to the HazMat field. The Continuing Challenge features courses that are designed to encourage interaction among all participants and includes topics that complement one another. Participants are provided an opportunity to work with the experts in a forum that relates problems and experiences; where achieving solutions to challenges in individual communities throughout the United States is possible.</p> <p>For more information regarding the upcoming workshop, please go to www.hazmat.org for a link to our pdf Save the Date Flyer that you can download, save, and forward to other interested potential participants.</p> <p style="text-align: center;">Everyone will need to create a new profile</p>	Doubletree Sacramento	24-27 Sep 19

STAS: Prevention through detection and deterrence is the cornerstone of California's Homeland Security strategy. Prevention has at its core cooperation; sharing between agencies and across the full range of public safety disciplines. Our state prevention strategy (State Threat Assessment System-STAS) has four Regional Threat Assessment Centers (RTACs) collocated with the four FBI Field offices in California, minimizing reporting conflicts, providing statewide coverage and facilitating coordination with our Federal partners. The RTACs maintain a regional threat assessment focus for their area of responsibility and directly connect to each other and the State Terrorism Assessment Center in Sacramento to collaborate on strategic products and situational awareness.
