Subject: **2014 RFP - EMERGENCY AMBULANCE TRANSPORTATION**

Orange County Emergency Medical Services (OCEMS) is issuing this system announcement to advise that the 2014 Request for Proposal (RFP) process for EMERGENCY AMBULANCE TRANSPORTATION in nineteen service areas is transitioning from the Orange County Fire Authority (OCFA) to OCEMS.

The Orange County Health Care Agency (OCHCA) anticipates releasing a solicitation on BidSync.com for EMERGENCY AMBULANCE TRANSPORTATION.

If interested in providing human services for OCHCA, and in order to receive notifications of any OCHCA solicitation, interested parties must be registered on BidSync, and at least one NIGP Code that begins with 952 must be selected. For example, check 952-59 human services, not otherwise classified.

Current providers of any services being solicited by OCHCA must respond to the solicitation in order to be considered. BidSync is a free third party site, and any questions about BidSync and/or registration is to be directed to BidSync at (800) 990-9339. This information is for general purposes only, and does not constitute any commitment or guarantee by OCHCA.

Please register for BidSync through the OC Procurement website:
