Item I

Call to Order/Welcome

- At 1:05 p.m. by Helen Cameron and Patti Pettit welcomed everyone
- Helen announced the agenda for today

Item II

CSS Adults and Older Adults

Anthony Delgado Division Manager

- Gave an update on CSS Adult Programs using the FY 15/16 MHSA Annual Plan Update.
- He shared that the FSP will be going through an expansion,
 - An "Employment Specialist" will be added to the Opportunity Knocks program.
- This year's FSP outcome measures were shown to the audience.
 - There were questions concerning the low employment increases to which Mary Hale helped to clarify why the outcome appeared low.
- Mary gave a summary of the Little Hoover Commission and its impact on data and research
- Linda Molina gave an update to Crisis Residential Program
 - Their goal is to increase enrollment, and improve outcomes in discharge rate, hospitalizations, and days of service
- Linda Molina gave an update to the CAT & PERT teams
 - Update on outcomes and response times as referenced in the MHSA Plan Update
 - CAT and PERT are hiring 5 new staff.
- There was a question to have the following questions be included during the next round of outcomes:
 - 1) Number of actual contacts?
 - 2) How many people were helped by the CAT/PERT team?
 - 3) And what services were provided and used after initial contact.
- Transportation project that was approved in the MHSA Three Year Plan will be out for bid this coming year.

- AOT updates

- Problems with outcomes – a few don't qualify for AOT, such as those who are already in services, or are incarcerated
- RFP- It was announced that a bid recently went out for a new Wellness Center in South Orange County.
