BHS Veteran Services

BEHAVIORAL HEALTH SERVICES NAVIGATION

Mission Statement

To prevent substance use and mental health disorders; when signs are present, to intervene early and appropriately; and when assessments indicate that treatment is required, to provide the right type of treatment, at the right place, by the right person/programs to help individuals achieve and maintain the highest quality of health and wellness.

About Behavioral Health Services

Behavioral Health Services (BHS) are available to Orange County residents seeking mental health and substance use treatment through the Health Care Agency's Behavioral Health Continuum of Care.

RESOURCES

BHS Directory

Provides a complete list of HCA Behavioral Health Services (county-operated and contracted) with a description and contact information to educate the community about available behavioral health services.

<http://ochealthinfo.com/BHSDirectory>

Navigation Presentations and Resource Tables

Provides presentations on: understanding and navigating the HCA Behavioral Health System, OC Links Information and Referral Line to help educate and inform the community about the wide range of behav-

ioral health services offered through HCA. Call (855) OC-LINKS for more information.

Network of Care/ Veterans Network of Care

The Network of Care for Behavioral Health website offers extensive information about mental health and substance use programs throughout Orange County. For more information, visit <http://orange.networkofcare.org/mh>.

For veteran services in Orange County, visit <http://orange.networkofcare.org/veterans/> for more information.

PROGRAMS

OCLinks Information and Referral Line

Provides telephone and online chat support for anyone seeking information about Orange County Health Care Agency (HCA) Behavioral Health Services (BHS). This includes children and adult mental health and substance use programs, crisis services and prevention/early intervention programs. Call (855) OC-LINKS or visit www.ochealthinfo.com/oclinks for more information.

Office of Consumer and Family Affairs

Supports consumers and family members by providing emotional support, information on community resources, and assistance in navigating the County's Behavioral Health system. Call (855) OC-LINKS for more information.

Outreach and Engagement

Services are offered to all age groups with mild to moderate behavioral health conditions and to the severely and chronically mentally ill population who are homeless or at-risk of homelessness. To request outreach worker response, call the Triage line between 8:30 a.m. – 5 p.m., M-F at (800) 364-2221.

BHS Veteran Services

Provides comprehensive Behavioral Health Services to veterans and their families. Services include: case management, short-term counseling, peer mentoring and links to community resources. Call (855) OC-LINKS for more information.
