VI. Behavioral Health Services (BHS):

Mitch Cherness

- In regards to contract services, additional funding will be added to Post-Custody services allowing Driving under the Influence (DUI) court clients to receive services post custody. In addition, Human Immunodeficiency Virus (HIV) transitional housing, Sober Living for AB 109 clients, and residential and detox programs are up for renewal as well. Naloxone training will take place on April 26-28, 2016 at 1:00pm, allowing providers to train their staff.
- Mitch provided statistics on the gate keeping waitlists. Currently there are 437 people on the waitlist to get into treatment. Intravenous Drug Users (IDU) is getting in at 2 weeks wait or sooner and non-IDU's are 4-6 weeks, and non-IDU's requesting specific programs are 1-2 months long.

Brett O'Brien

- Children, Youth and Prevention Behavioral Health Services are also in contract renewal season. Additionally, the state is working on updating the Youth Services Policy Manual. The state has also established a Youth Advisory Group to obtain input from a youth's perspective on what should be included in the manual updates. Finally, the Early and Periodic Screening Diagnosis and Treatment (EPSDT) benefit under Medi-Cal for Children and Youth, will allow for people to claim this benefit while also receiving treatment for mental health services.

VII. Presentation

Drug Medi-Cal (DMC) Services Demonstration Project

By: Sandra Fair, Medi-Cal Coordinator

Office: (714) 834-5904

- Sandra provided an extensive presentation on the Drug Medi-Cal, designing and organized system for substance use disorder services. Her presentation included an overview of what the 5-year pilot plan project consists of and included the factors that the stakeholders should consider. She then provided the benefits to the project and the requirements for expanded drug Medi-Cal services, followed by the planning steps. All future trainings and updates will be provided to the board via email by Danielle Daniels.
