Easy Ways to Get a Flu Shot

The Centers for Disease Control and Prevention (CDC) recommends that everyone 6 months and older get the flu vaccine. Protect yourself and those around you by getting a flu vaccine. Here are four easy ways to get the vaccine:

1. Ask your doctor

If you have health insurance, you can get a flu shot from your medical provider. It is usually free. Ask your doctor about it.

3. Go to a local pharmacy

You can get a flu shot at a pharmacy. Visit www.vaccinefinder.org to find a pharmacy where you can get flu shots. Check with your health plan to see if it's covered.
