Ways the Community Can Assist Those Experiencing Homelessness

- Conduct a community drive for hygiene products (shampoo, conditioner, deodorant, toothpaste, toothbrush, sunscreen), non-perishable food, first aid supplies, new socks and bus passes. Drop off the donated collection to a local community organization that serves those experiencing homelessness.
- If you are a doctor, lawyer, dentist, optometrist, hairdresser/barber, etc. volunteer time to provide pro-bono services to someone in need.
- Adopt a family or individual within a program and support them during their transition from homelessness to self-sufficiency.
- Donate time and/or money to a local community organization that provides food, clothing, or other services that promote self-sufficiency.
