What Do You Need?

At least one option for children age 3 to 5 years and one option for age 6 years and over

3 to 5 year olds: LEA or HOTV Threshold 10 foot chart **OR**
LEA or HOTV Critical Line 10 foot Chart set

AND

Age 6 and over*: Sloan Letters Threshold chart **OR** Sloan Critical Line Chart
(Snellen is acceptable but not best practice)

Occluders: Eye patch is best practice.
Occlusion glasses can be use if patches are not available.
A paddle occluder can be used for age 10 years and over.

Passing Criteria:

3 years olds must pass the 20/50 line.

4 years olds must pass the 20/40 line.

5 years and older must pass screening the 20/32 (or 20/30) line

*These charts are for age 6 years and over who are comfortable with letters.

** AAPOS Kits contain recommended occluders, Sloan Letters charts in Threshold and Critical Line, and your choice of LEA or HOTV charts in Threshold and Critical Line.
