

FACILITIES ADVISORY COMMITTEE
SUMMARY REPORT APPLICATIONS FOR
ORANGE COUNTY EMS FACILITY DESIGNATIONS
March 13, 2018

The following hospital applied to Orange County Emergency Medical Services (OCEMS) for Emergency Receiving Center (ERC) designation in April of 2017. It was given conditional designation for 12 months with conditions. This report summarizes the conditions and recommendations following an OCEMS review of their submitted documents in response and OCEMS facility site visit. Today, it is presented to the Facilities Advisory Committee for endorsement of their designation.

General Findings: Following a 6 month facility site visit and review of documentation submitted to OCEMS it is recommended to remove conditions and designate for the 2 years remaining on a 3 year designation cycle.

FACILITIES –ERC DESIGNATION (Removal of Conditional)

Foothill Regional Medical Center

Emergency Receiving Center (ERC)

Site Visit Follow Up – 8/9/2017

Criteria Deficiencies: **None - See Previous Conditions below**

Endorsement Consideration: Designation for additional 2 years - the following conditions have been satisfied and recommendation is for Foothill Regional Medical Center designation as an Orange County Emergency Receiving Center (ERC) through April 2020.

Condition 1: Satisfied – confirmed on site visit

Hospital will provide OCEMS with evidence of successful installation and operation of ReddiNet/HEAR satellite and radio equipment by providing training records of all staff assigned to the use of the ReddiNet and HEAR equipment.

Condition 2: Satisfied on 6/1/2017

Hospital will provide OCEMS with evidence of completion of waiver provided by CDPH for the “Trauma/Special Procedures” treatment area (6 month waiver)

Condition 3: Satisfied – confirmed on site visit

Hospital will provide evidence of staff training on the 800MHz radio for all staff assigned to the use of the 800 MHz radio.

Condition 4: Satisfied on 8/27/2017

Hospital will provide evidence of installation of a dedicated telephone landline (red phone).

**SUMMARY REPORT APPLICATIONS FOR
ORANGE COUNTY EMS FACILITY DESIGNATIONS
March 13, 2018**

Foothill Regional Medical Center (continued)

Emergency Receiving Center (ERC)

Criteria Deficiencies: None - See Previous Conditions continued below

Condition 5: Satisfied on 6/29/2017

Hospital will provide evidence of staff training on HazMat/Decon Training conducted by county representative (or equivalent training)

Condition 6: Satisfied on 6/21/2017

Hospital will provide OCEMS with protocols in the treatment and/or transfer for the following patient populations.

1. Stroke
2. Trauma (Adult)
3. Emergency OB/Labor
4. Critical Pediatric (including Trauma)

These conditions may be met by written documentation submitted to OCEMS &/or focused site visits for verification.
