## MHSA Plan: Support Levels

---

***Community Support*** programs are specially designed to reach large groups of people at a time. They aim to strengthen the resilience and wellness of a community as a whole by providing information, training and skill-building around mental health.

## MHSA Plan: Support Levels

---

**INDIVIDUAL/  
FAMILY  
SUPPORT**

### *Individual/Family Support*

is the largest Support Level in BHS, serving individuals who are living with or at risk of developing a mental health condition and their families. Services are provided at the individual level and customized to meet the needs of the person.

## MHSA Plan: Support Levels

---

**BHS  
SYSTEM  
SUPPORT**

### *BHS System Support*

refers to the infrastructure that maintains the behavioral health system itself. Funds develop the behavioral health workforce, the facilities in which MHSA services are provided and/or administered, and the technology that supports service delivery.

A collage of images related to mental health services. On the left, a circular logo for the Orange County Health Services Act features the number '03' and the text 'WELLNESS • RECOVERY • RESILIENCE'. To the right of the logo, the text reads 'Orange County Mental Health Services Act' and 'Plan Update FY 2018/2019'. The collage includes a photograph of a smiling family (a woman, a man, and a child) lying on their stomachs on the grass, and a photograph of a family running on a beach with a kite flying in the sky. In the bottom right corner, the logo for 'oc health CARE AGENCY' is displayed.
