The CEO's Office, OCCR and HCA have been working to identify plans and projects to meet this directive, and on May 11th, HCA began a 30-day public comment period on a request to amend the MHPA Three-Year Program and Expenditure Plan for FY 2017-18 through FY 2019-20 with a transfer of \$15 million in Community Services and Supports (CSS) funds to CSS Housing.

These funds would be used for the purchase, renovation and/or development of permanent supportive housing for individuals with serious mental illness who are homeless or at risk of homelessness. There will be a Public Hearing on this proposed amendment on June 12 in lieu of the MHP Study Meeting, with plans to take the amendment to the Board of Supervisors on June 26.
