Current INN Projects

3

Work in
Progress

Behavioral Health Services for Military Families

This project provides support to military-connected families throughout Orange County. Services include screening and assessment, case management, counseling, education, and referrals and linkages to behavioral health and support services.

- ▶ **Launched July 1, 2015**
- ▶ **Currently in its final year under INN**
- ▶ **Will transition to PEI on July 1, 2019**
 - ▶ **PEI recommendation #4**

Religious Leaders Behavioral Health Training Services

This project provides basic behavioral health training to religious leaders from a variety of faith-based organizations throughout Orange County. Trained religious leaders, in turn, provide behavioral health skills trainings to community members.

- ▶ **Launched July 1, 2015**
- ▶ **Currently in its final year under INN**
- ▶ **Trainings may continue under PEI**
 - ▶ **PEI recommendation #9**

Step Forward: On-site Engagement in Collaborative Courts

This project utilizes peer counselors with experience and knowledge of behavioral health to provide on-site services at the Collaborative Courts. Services include: court outreach, participant and family engagement, behavioral health education courses, referrals and linkages to community resources, and supportive counseling.

- ▶ **Launched December 1, 2015**
- ▶ **Currently in its final year under INN**
- ▶ **HCA to begin discussions about continuation of project in Spring 2019**

Behavioral Health Services for Independent Living

This project educates participants about the relationship between behavioral health management and independent living. Training modules include: health management, core/basic skills, daily living, social skills, and vocational skills.

- ▶ **Launched July 1, 2017**
- ▶ **Currently in Year 2 of services:**
 - ▶ **Outreach and engagement**
 - ▶ **Screening and assessment**
 - ▶ **Case management**
 - ▶ **Peer support**

Continuum of Care for Veterans and Military-Connected Families

This project integrates military culture and services into Family Resource Centers (FRCs) throughout Orange County in order to train non-veteran organizations on how to identify, screen, and serve military connected families, as well as provide services on-site at the FRCs.

- ▶ **Launched July 1, 2018**
- ▶ **Services began September 2018:**
 - ▶ Outreach and engagement
 - ▶ Screening and assessment
 - ▶ Military culture trainings
 - ▶ Counseling
 - ▶ Case management
 - ▶ Peer support

Mental Health Technology Suite

The “Tech Suite” is a suite of mental health apps designed to increase access to mental health services

► Status update:

- Development and implementation
- Peer involvement
- Community input:
 - Wellness Centers
 - Recovery Education Institute

Future (potential) Projects

10
