

## Parking Access

(This is expected to last approximately 8 weeks (until the end of December))

**Parking Lot Access (Entrance & Exit):** You may access the parking lot from Fifth Street only. You must use the Fifth Street exit to leave the parking lot.

**Please Note:** Vehicles (employees and visitors) may park on any level (with the exception of reserved parking stalls). Also, do not use the exit lane from the second level to the first level as an access point to the second level (see below).
