

**County of Orange  
Emergency Medical Services  
Orange County Medical Emergency Data System (OC-MEDS)  
Hoag – Bi-Directional Data Exchange Project  
Using the Barcode Scanner in Elite Field to Link Patient Records  
Training for EMS Field Personnel**

**Introduction:**

The OC-MEDS system has been integrated with the electronic medical records system at **Hoag Hospital – Newport Beach** and **Hoag Hospital - Irvine** which allows your PCR to be ingested into the receiving hospital’s system and enables outcome data pertaining to your incident to be transmitted back to your agency. To link the patient records, an **Encounter Number** (known as the **Contact Serial Number, or “CSN”**) and a **Medical Records Number (MRN)** needs to be added to your PCR to establish a matching record in the hospital’s system. This information can be obtained from the patient’s **facesheet** once your patient has been registered in the emergency department.

**Procedure:**

- Training Video: <https://youtu.be/CCn-2NOS2CQ>
- Locate the QR code on the **facesheet** as shown.
- The QR code includes the **CSN** which will populate into your PCR when scanned.
- **Scan the barcode using the procedure noted below.**
- **Manually enter the MRN into your PCR.**
- If it is not possible to scan the QR code on the facesheet, the **MRN** and **CSN** (**Encounter #**) can be obtained from the Facesheet and manually entered into your PCR.

**Codestemi OCEMS**  
90 y.o. female (DOB: 1/29/1934)

Scan Destination Facility Barcode

**To use the barcode scanner in Elite Field to add the CSN / Encounter # to your PCR**

1. On the “Destination” panel; Select “**Hoag Memorial Hospital Presbyterian**” or “**Hoag Hospital Irvine**” in the “Destination/Transferred To, Name” field.
2. The “**Hoag Data Exchange**” panel will display.
3. Tap on the “**Scan Destination Facility Barcode**” button.
4. Tap “Allow” to access your device’s camera.
5. Position your camera over the **QR code on the factsheet as shown above.**

**Hoag Data Exchange**

\*\*\*Hoag Bi-Directional Data Exchange\*\*\*  
For all 911 Transfers to each of the following hospitals:  
Please Transfer to Hoag (LA/Presbyterian)

\*\*\*Hoag Transfer Note\*\*\*  
Instructions: Call the Contact serial number (CSN) by pressing the QR code on the patient's facesheet and enter the MRN upon arrival to the ED and call a hearing (if) if any information on the facesheet is missing.
