**Subject: Pre-Blasting Notice, Prima Deshecha Landfill Zone 4 Phase A Project**

This letter serves as notification that, as part of the Zone 4 Phase A project, OC Waste & Recycling will commence blasting on or about July 8, 2024. The blasting is for the purpose of clearing “overburden” material which cannot be removed with conventional equipment.

Details are as follows:

- The blasting frequency will be one or two times per week for 15-20 weeks.
- The blasts will occur around lunchtime or near the end of the day.
- The OC Sheriff’s Department was notified on February 5, 2024.
- The Orange County Fire Authority issued the required permit on March 13, 2024.
- The nearest structure to the blast site, an OCWR storage building, is 600 feet away.

Let me know if you have any questions regarding this notice.

Sincerely,

Emily L. Jackson, P.E.  
Senior Civil Engineer  
Environmental Services
