Mental Health Services Act

- The Mental Health Services Act (MHSA), Prop 63, was passed by California voters in November 2004 and went into effect in January 2005.
- The MHSA provides increased funding for mental health programs across the state.
- The MHSA is funded by a 1% tax surcharge on personal income over \$1 million per year.
- Fluctuations in tax payments impact fiscal projections and available funding.

Mental Health Services Act Purpose

Per the California Department of Mental Health Vision Statement and Guiding Principles (2005):

To create a culturally competent system that promotes recovery/wellness for adults and older adults with serious mental illness, resiliency for children with severe emotional disturbance, and their families.

The California Welfare and Institutions Code (WIC) § 5847 and California Code of Regulations (CCR) Title 9 Section 3310 state that a Mental Health Services Act (MHSA) Three-Year Program and Expenditure Plan, including subsequent updates, shall address each component:

- Community Services and Supports (CSS) (WIC § 5800, 5850)
- Prevention and Early Intervention (PEI) (WIC § 5840)
- Innovation (INN) (wic § 5830)
- Workforce Education and Training (WET) (WIC § 5820)
- Capital Facilities and Technological Needs (CFTN) (WIC § 5847)

MHSA Annual Update for FY 2025-26 (cont'd)

Further, the county must:

- Update the MHSA Plan annually;
- Address elements that have changed; and
- Include estimated expenditure projections for each component per fiscal year.

(9 CCR § 3310)

Why Are We Having a Public Hearing?

- The MHSA Plan/Update shall be prepared and circulated for review and comment for at least 30 days to representatives of stakeholder interests.
- The Mental Health Board shall conduct a Public Hearing on the Draft Three-Year Plan or Annual Update at the close of the 30-day comment period.

(WIC § 5848)

Who Should be Included in the Stakeholder Process?

Each Three-Year Plan and Annual Update shall be developed with local stakeholders, including consumers, families, service providers, law enforcement agencies, educators, social services agencies, veterans and veteran representatives, providers of alcohol and drug services, and health care organizations (WIC § 5848).

Additionally, stakeholders include:

- Representatives of unserved and/or underserved populations and family members
- Stakeholders who represent the diverse demographics of the county including, but not limited to, age, gender, race/ethnicity, and location
- Consumers living with serious mental illness and/or serious emotional disturbance and their family members (9 CCR § 3300)

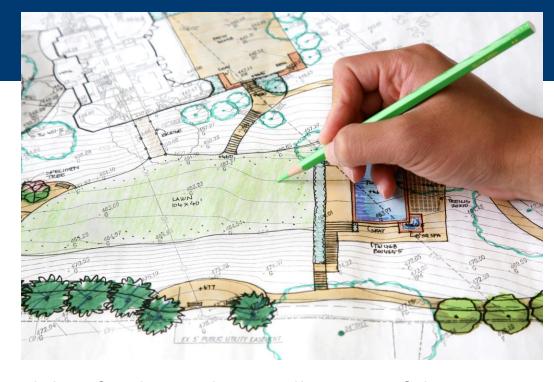

What Should be Included in the Stakeholder Process (cont.)?

WIC § 5848 states that counties shall work with constituents and stakeholders throughout the

process that includes stakeholder involvement in:

- Mental Health Policy
- Program Planning
- Implementation
- Monitoring
- Quality Improvement
- Evaluation
- Budget Allocations

CCR Title 9 Section 3300 requires involvement of consumers and their family members in all aspects of the community planning process and states training shall be offered as needed, to stakeholders, consumers, and consumers' families who are participating in the process.

Standards

Counties shall adopt the following standards in planning, implementing, and evaluating programs:

- Community collaboration
- Cultural competence
- Client-driven
- Wellness, recovery, and resilience focused
- Integrated service experiences for clients and their families.

How BHS Reaches Out

A variety of types of communication are used to regularly inform stakeholders and the public of MHSA/Behavioral Health policy, activities, services and programs, postings, and stakeholder engagement opportunities throughout the year. In addition, we reach out through community events.
