Discussion

Questions

- Based on what you've heard to date about BHSA changes, where do you anticipate the most significant challenges or opportunities in adapting to the new FSP standards and requirements?
- What specific formats would be most effective for you and your teams to truly absorb and implement these new FSP standards?
- Are there any other areas where we could provide unique value or support that would significantly enhance your capacity to navigate these changes?

05

Closing and Next Steps

Looking ahead...

- Ongoing FSP workgroup attendance
- Monthly meetings with the Innovation Team
- FSP Program Meetings:
 - Group
 - One-on-one
- Build out crosswalk for each FSP program to new standards
- Begin to develop trainings/other support needed for FSP programs

Thank you!
