

# The State of Public Health in Orange County

PRESENTED BY

**Regina Chinsio-Kwong, DO**

County Health Officer

The purpose of this webinar is to provide information on public health conditions and trends in Orange County.

## HEALTH DATA IN ORANGE COUNTY

What are the key public health indicators and how is Orange County doing?

## TOGETHER FOR HEALTH

How is Orange County doing overall to advance community health?

## CURRENT CHALLENGES

What are key federal, state and local challenges to community health?

## LOOKING FORWARD

How can we chart a path forward given current conditions, challenges and opportunities?

**WEDNESDAY  
MAY 20, 2026**
