

An All-Hazards Approach to Disaster Planning & Response for Acute Care Health Providers

Date: October 2, 2026

Time: 08:00 – 16:30hrs (PST)

Location: 100% Online via Microsoft Teams

Course Fee: \$50.00

The Kaiser Permanente Vacaville Medical Center's Department of Trauma is excited to offer Disaster Management & Emergency Preparedness (DMEP), a live 1-day course that is both didactic and interactive. DMEP addresses the core competencies of disaster and mass casualty management according to the American College of Surgeons Committee on Trauma (ACS-COT) and focuses on the hospital-based healthcare provider perspective.

Course Objectives:

- Recognize the surgical problems, injury patterns & issues that happen in disasters
- Discuss the role that hospital staff can play in planning for a response to mass casualty incidents & disasters
- Introduce the terms & concepts used in an incident command structure
- Describe the principles & challenges of disaster triage
- Explain common civilian & military assets available for support

Accreditation: The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CME Credit: The American College of Surgeons designates this educational activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. *Category 1 Continuing Medical Education credit is acceptable for meeting RN continuing education requirements.
